

Kia Ora Salford School Community,

## VOLUNTEERS WEEK!

What I have noticed this week at Salford that involves volunteers from “the community” working alongside the staff and students;

- Swimming instruction support
- Waihopai River field trip support
- Classroom assistance for student learners in numeracy and literacy
- Support with Inquiry
- Invercargill Refuse recycling visit

This all goes alongside, sports coaching and transport assistance, PTA involvement to name but three. Schools run on Volunteer assistance so thank you all for your support and generous offers of time and petrol no doubt.

Wednesday last week, was Support Staff Day at Salford, and we paid particular attention to our Teacher Aides, Caretaker and Office staff in recognition of their commitment to Salford School beyond their job description. I am impressed by how happy and collegial this place is.

Swimming is well under way with week one behind us. There are 6 more sessions next week (Monday to Thursday) and Monday and Tuesday of the last week of term. We could do with a male presence to assist the younger children with changing so dads if you have a spare 10 minutes at 2.25 each day, please let Ms Soper know.

13 Students represented Salford in the Annual Southland Primary Schools X-Country at Gorge Road. Thanks for your commitment and endeavour to the Cross Country at a time of the year that is not always conducive to good training conditions.

To date, the Salford Community have raised **\$1,086.00** for World Vision. Congratulations everyone who supported this very worthwhile process.

**Wednesday the 27th of August.**

Are there any **Parents** interested in producing **A one-act play** no longer than 15 minutes with no limit to the number of helpers and back stage support. .

The staff are just not able to given their commitments and it would be a shame if we had some budding actors/actresses who would other wise miss out.

Please send an email to [admin@salford.school.nz](mailto:admin@salford.school.nz), if you are interested in producing or helping to produce a piece of work.

**Note:** We have not asked the children for interest

## SOUTH SPELL

On Wednesday night, (18th June), at James Hargest Senior School. 42 Year 5/6 teams from throughout Southland attended the annual "Southspell". Jasmyn Trask, Maraia McCormack, Halle Faherty and Jackson Faithfull were our team. They worked well as a team and enjoyed the challenges provided by the 100 questions. Topics included Spelling sections, Plurals, Prefixes, Maori words and abbreviations. The children were placed in the middle of the pack at 18th however Halle and Jackson will return new year.

Thank you to the parents for all their support.

## PTA NOTEBOOK:
