

Dear Parents and Caregivers,

Kia ora. What a brilliant spell of weather last week. Back to reality today! It's Orange Parade Day today and our Year 6 children are in the elements down at Wachner Place. Orange Parade Day is to recognise the service of those children who have been on road patrol this year. Our children have done a fine job helping on road patrol this year and it is great to have their efforts recognised.

Class organization 2018

We are starting to plan class organization for 2018. If you would like to make us aware of any educational or social factors you want us to consider in placing your child in a class, please communicate in writing to admin@salford.school.nz with "2018 classes" in the subject line (before 20 November). Please note that we are not asking you to pick teachers. You will appreciate that class organization is a complex job with many factors to be taken into account.

Our staff organization for next year is as follows;

Y5/6	Megan Roulston	Y5/6	Nicole Dawson
Y4/5	Sharon Soper	Y4	Monique Mair
Y3	Tania Perriam	Y3	Tegan Smithies
Y2	Tracy Jones	Y1/2	Jan Bartlett
Y1	Paula Wheeler	Y1	Hayley Paterson
Y1	Lynda Priscott		

Parent/Caregiver Survey

We are holding another Parent/Caregiver Survey this year. Your views are important and we value your positive feedback and your thoughts on what we could do better. All feedback will be considered by the staff and Board of Trustees and we will publish a summary of the survey findings. This year's survey is shorter and includes a number of areas that parents/caregivers identified as needing attention in last year's survey.

We had an amazingly high return rate with last year's survey and we encourage everyone to complete this survey to give us a good idea of the school community's views. Surveys can be done using SchoolStream or paper copies can be picked up from the office. Surveys will be available from this Friday, with a return date of Friday, 17 November.

Swimming

Swimming starts next Monday for Rooms 2, 4, 5, 6 and 9. We will need plenty of parent help with changing children etc. so thanks in anticipation of this.

Life Education

The Life Education Mobile Classroom will be in the school for a week from 29 November. All classes will be involved in lessons with a Health theme.

Help with reading

We have a number of parents/caregiver who are doing a great job hearing children's reading in the morning before school. If you are able to join the ranks for 10-15 minutes before school in the morning, please make contact with any of the teachers or Mrs Devine at the office. It doesn't have to be every day. I'm sure you would find this a very satisfying experience.

Regards, [Robin Harris, Principal](#)

Mr Hanna and The Fireworks

Once there was a young boy. His name was Mr Hanna. He was young.
"Papa is going to bring fireworks home." said Bruce, an older brother.

You might think Mr Hanna is very, very, very old, but I am talking about when he is young. But not to mention, Mr Hanna is very, very, very old.

Back to the story....

Daddy **did** bring fireworks home! Daddy put one firework on. It sounded like music. But when the wind set all the fireworks on!! Puff, puff, puff. The family dove into bushes as the fireworks went off. It sounded like evil cackles that was going to kill them. Mr Hanna felt scared.

Ha ha, Ha ha! That sounded real. No it was just the cat. Why was it laughing at them?

Sadly the family went inside for milo from Mum. That is the end of our story, but, still Ha ha ha from the cat.

And, just to remind you Mr Hanna is **OLD** not young.

By Meera, Room 2

Students in Room 7 very focused on their work with the aid of the new headphones.

Whole School enjoyed the "**Share the Road**" presentation.

Purpose to provide an overview of the **Safe System** approach to road safety.
