

Dear Parents and Caregivers

Kia ora and greetings from your school. Here we are at the last week of a term again and looking forward to the break. I hope you all get a chance to spend some extra time with your children over the holidays.

A big thank you to Michael Wirepa who has been teaching with us this term and to Cimone Page and Nichole Finlay who worked in Room 9 while Paula Wheeler was on her sabbatical. We have been very fortunate in having these people in the school this term.

Congratulations

Congratulations to the following children who received awards at the Southland Science Fair for their projects – Jasmine Lock-Schwass and Emma Steele, Kleo Hollands and Kate Wills, Felix Huynh, Jonathan Blyth and Jake Hilborn, Charlotte Klein and Jemma Wright, Alycia Forbes and Natalia Peek.

A special mention to Henry Hopcroft and James McRae for winning a bronze award. We are obviously very proud at achieving such a high level of success.

Congratulations also to the Gym fest squads who performed very well last weekend. Thanks to Sharon Soper and parent Ashley Shirley for giving up so many lunchtimes to coach these teams.

School Uniforms

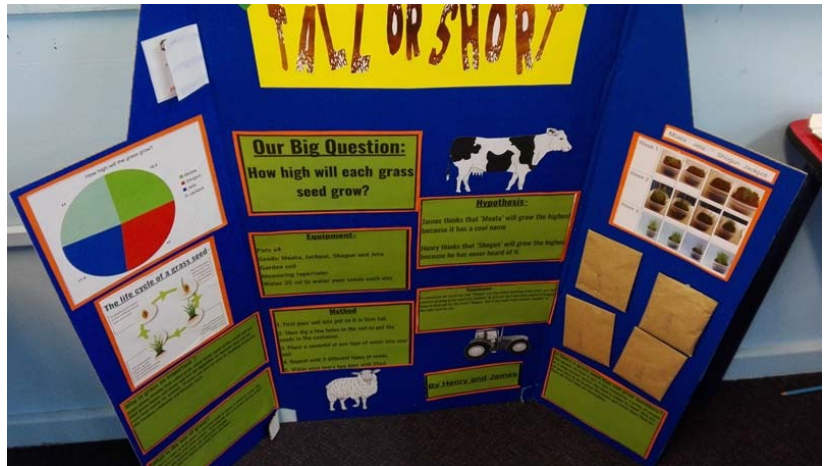

We are looking to see an improvement in children wearing the correct uniform items from the start of next term. Children should be wearing navy blue skorts (girls), shorts (boys) or Salford School Track pants, navy blue thermals and the navy blue fleeces with the Salford School logo. Socks are supposed to be white, black or navy. Shoes should be sneakers, suitable to partake in PE. Full sheet of the correct school uniform included with this newsletter.

Thought for the day.

Salford School Choir performs at the 2018 ILT SingOut. They performed the song "Don't Stop Believing" by Journey. Mrs Jones and Mrs Kerr were very proud of them all and in their commitment and effort in the lead up to this event. Thank you to all the families and friends that came along and supported this event. They were amazing!
