

2022: Salford School

Middle Syndicate - Year 3 and 4 Note: Year 3 and 4

Middle Syndicate - Year 3 and 4 Year 3 and 4

Students: 90

Subject Note: BYOD Programme - Students use Google Classroom which is a free blended learning platform developed by Google for schools that aims to simplify creating, distributing, and grading assignments. The primary purpose of Google Classroom is to streamline the process of sharing files between teachers and students. Google Classroom integrates Google Docs , Google Sheets , Google Slides , Gmail , and Google Calendar into a cohesive platform to manage student and teacher communication. Students can be invited to join a class through a private code, or automatically imported from a school domain. Teachers can create, distribute and mark assignments all within the Google ecosystem. Each class creates a separate folder in the respective user's Google Drive , where the student can submit work to be graded by a teacher. Assignments and due dates are added to Google calendar, where each assignment can belong to a category or topic. Teachers can monitor each student's progress by reviewing revision history of a document, and after being graded, teachers can return work along with comments and grades. Recommended devices are Chromebooks with a 11.6 inch screen.

Students in Year 3 - it is OPTIONAL to participate in the BYOD Programme. **Students in Year 4 - it is RECOMMENDED** to participate in the BYOD Programme. If Parents require additional information, please contact the school - admin@salford.school.nz. All books and equipment should be clearly named. Please also provide a painting t-shirt from home that covers uniform
