

SALFORD SCHOOL BOARD OF TRUSTEES

NAG 5 – Health and Safety

Sun Protection Procedure

1. Students will be expected to wear hats and sunblock when involved in outdoor activities (*playtime, lunchtime, sports trips, camps*), during Terms 1 & 4.
2. Staff will act as role models by employing appropriate sun protective behaviour for summer outdoor activities
3. Children will eat their lunch inside classrooms or under shaded areas with teacher supervision.
4. Sunscreen will be available for staff and children and its use encouraged, especially on days of high risk. Students are encouraged to have their own sunscreen
5. The Sun protection Policy will be reinforced in a positive way through school newsletters and the Health programme that promotes melanoma awareness.
6. BOT are encouraged to consider shade areas around the school

Effectiveness Review:

This policy will be reviewed in accordance with the Board's triennial programme of self-review
