

# SALFORD SCHOOL BOARD OF TRUSTEES

## Internet Safety Procedure

### Rationale

To promote and ensure the welfare and safety of Salford students, when using the internet.

To promote appropriate use by staff and students.

### Purpose

To provide internet access, so all staff and students can:

- Become effective and safe users of the Internet
- Extend their awareness and knowledge of the Internet
- Become motivated, responsible, independent users of the Internet

### Guidelines

1. Internet use is provided to all students to enable access to materials which support teaching and learning in the classroom, provide students with access to up-to-date, relevant and appropriate research and recreational material and provide opportunities for users to develop information and computer skills.
2. Students are able to use the Internet ONLY when they have signed (along with their parents/caregivers) a copy of the Internet Agreement.
3. Any child who comes across any inappropriate site will immediately exit the site and report it to their classroom teacher or another appropriate adult.
4. All Internet usage may be monitored electronically.
5. Students will not give anyone on the Internet information about themselves or anyone else.
