

Tenā Koutou Salford whanau,

Well spring weather is certainly sending us four seasons in one day. Students are still encouraged to wear their sun hats on cloudy days as at this time of the year the UV rays are strong. There is great free app that you can download called **UV lens** that shows the level of UV.

A very special Salford Welcome to new students this term:

Finn Bagley Rm 10
Blake Morton Rm 10
Chris Jin Rm 10
Kyla Peek Rm 11
Charlotte Main Rm 11
Alice Mitchell Rm 11
Emilia Wang Rm 9
Cash Qian Rm 7
Julien Henry Rm 7
Suzuho Fukui Rm 4

Swimming is well underway with one week down. The students have been practicing all our school values when we are out and about. This has certainly been the case at the pool. Students have quickly adapted to the swimming routines. Thank you also to the parents that have been on hand to supervise and help.

Year 5 and 6 enjoyed a Trip to Te Rua Aroha Marae in Bluff. The students participated in a Powhiri and learnt about the creation of the Wharenui and ancestors from the area.

Special thank you to the parents that provided transport and to Michael Wirepa for being the Kaikōrero. A great day of learning and experiences for all.

Our year 6 students all went off to their chosen colleges last week, as part of their transition to year 7. This is an exciting time of the year for our year 6 students as they are getting ready to say goodbye to their primary days and embrace being on new campuses with new learning opportunities.

Nga mihi nui

Jo Griffin
Acting Principal

“When you wake up in the morning, Pooh,” said Piglet at last, “what’s the first thing you say to yourself?”

“What’s for breakfast?” said Pooh. “What do you say, Piglet?”

“I say, I wonder what’s going to happen exciting today?” said Piglet.

Pooh nodded thoughtfully.
“It’s the same thing,” he said.

SCHOOL READERS AND LIBRARY BOOKS

As we move toward the end of the School Year, can we ask you to please look at home for school readers and library books..

School Readers—please return to the class teacher.

School Library books—please return to the green deposit box in the office.

SCHOOL SWIMMING GROUP 2—STARTS next week.

26 November to 7 December

GROUP 2—Rooms 1, 3, 7, 9, 11 and all Year 5 students.

Session time: 1:00 to 2:00pm, Bus Departs Salford: 12:30pm

Bus departs Splash Palace: 2:15pm

PTA NOTEBOOK:

Landscaping work has begun around the school's drop off zone and behind Rooms 1 to 4. The team is being enthusiastically led by Sandra and we have been busy removing grass, digging soil and scraping back stones. It's hoped to have the new plants in, with assistance from students and Nichol's Garden Centre, prior to the end of term.

According to my calculations it's only 36 days till Christmas Day, which means it's also not long until our annual Christmas Carol Evening. Start saving your coins for the PTA's sensational sausage sizzle, the Spin Spuds food truck, Kracker Jacks Shake Van and the mobile Coffee Van Man. You're more than welcome to bring your own tea and snacks along.

The PTA will also be asking for donations of small nibbles (eg; Christmas baking, chocolates, mints etc) and fruit for platters for this evening. If you're able to donate please drop off your items at the kitchen hall by 9.15am on Tuesday 11 December 2018.

On behalf of the Salford School PTA, Gillian, Committee Member

- 12 Mar—Phoenix Zone Athletics
- 3-5 Apr—Year 6 Camp—Camp Columba

Keep visiting the website for regular school updates and messages being loaded to School Stream

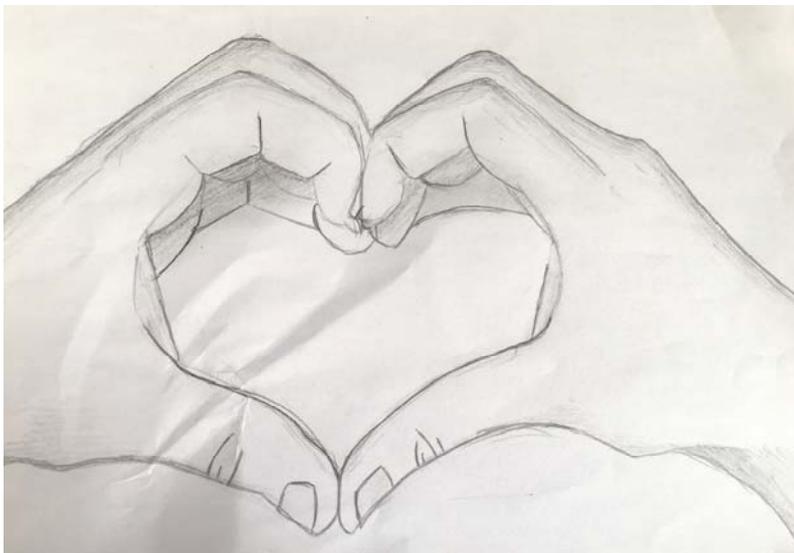

ROOM 5

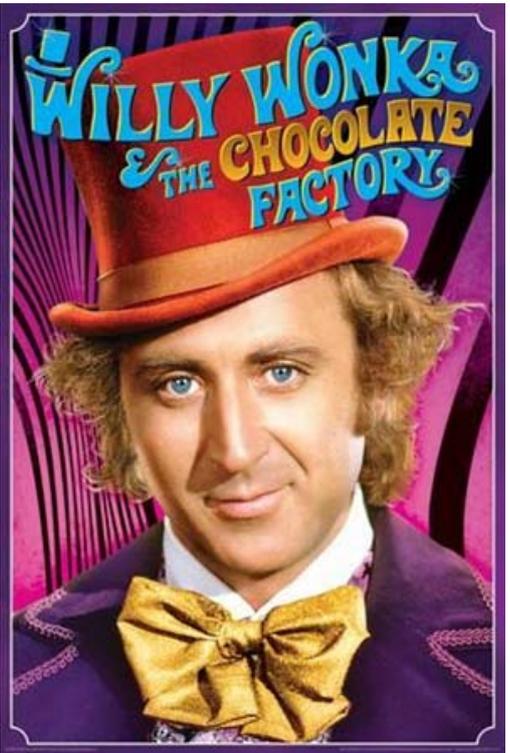

Recently, Room 5 have been learning to sketch and shade using step-by-step instructions. Our first attempt at sketching was hands formed into the shape of a love heart. We had to learn about where the light comes from and how to use the pencil effectively to shade. We also used faint lines to set our shape and then erased any unnecessary lines for the final drawing.

As soon as Willy Wonka opened the huge metal doors, I dashed inside. I was speechless. I couldn't process the thought that this was all real. I could smell an amazing scent coming from the chocolate waterfall and flowing river. I could see wacky trees made from candy. There were glossy green, red, and orange pumpkins. I could see the tallest candy canes possible. I ran to a twisty yellow tree and tugged at one of the glistening red apples. I took a bite. It melted in my mouth. It was sweeter than pure sugar. Then my eye caught sight on a red and white bent tree. I hurried to it before anyone else could. I took a lick. It had a strong taste of peppermint. I looked down to see chocolate rocks covered in bright pink sprinkles. I bent down and took a small bite. It was creamy.

By Aaliyah

As I entered Willy Wonka's chocolate factory I was shocked to see no sweets. It was a dark long hallway that led to a tiny locked door as Willy Wonka took the magic keys out of his pocket and unlocked the door.

The first thing I saw was a **GINORMOUS** red and white candy cane tree. As I turned around there was a chocolate waterfall crashing down forming a milk chocolate lake. I couldn't resist tasting it, it was better than heaven!

I couldn't believe how realistic the green sprinkles looked. We went over a bridge that had hard candies to stand on so you don't slip down the grass. When I was on my way to the Inventing Room a lollipop plant caught my eye.
