

## Principal's note:

A busy two weeks has passed since our last newsletter.

We had perfect conditions for our school cross country run. Thank you to Ms Soper for her organisation of this event. We were fortunate to have support from James Hargest Senior Campus students as well, some of whom were past Salford School students. Thanks and appreciation to Jenny Elder, Tyla Sell, Phoenix Taniora, Kya Wharepouri, Meg Laker, John Bardwell, Tom Bernard, Gabrielle Milne, Alice Moreton, Laura Moreton, Kate Ryan and Lupe Taufa for their assistance.

Thank you to all of the parents who came to support and encourage the children at this event. It was fabulous to have so many children meeting and beating personal goals whether it was to just get it finished or to come in the first 10 finishers for their age. The children were very proud of their efforts and achievements. It was also great to have Mocha Rocker Coffee to warm us up afterwards.

The cross country was followed up with the PTA Fun Run event. The children had a great time completing laps, climbing, jumping and running over and through hurdles and obstacles not to mention getting sprayed with water throughout their timed event.

Please ensure you return your fundraising cards and money to the office as soon as possible so that it can be used for the children at the school.

Thank you to the PTA members who organized and ran this fun event, the children thoroughly enjoyed it and it was great to see them active and busy in the sun having a great time.

As soon as you enroll your child at Salford School you become a member of the Salford Parent Teacher Association. As a member, your help with events to support the children and the school is greatly appreciated. Your active involvement will help make memories and positive learning experiences for the whole school. You are also welcome to attend the meetings that are held each month. Dates for these can be found on the school website.

The children were treated to a performance by The Playhouse Theatre Performance Group based on the Tortoise and The Hare in the past two weeks as well. The messages in this related directly to our school values – pukumahi (Perseverance and working hard), whakaute (Respect), Manaakitanga (Caring) and noho haepapa (Responsibility). Discussions in classes from the performance were interesting and showed the children's understanding of the values and message in the performance.

We have had a group of four students who attended the annual Chess Tournament held at Otatara School. They had a great day competing against other Chess enthusiasts from throughout Southland and earned a variety of badges by using particular moves and strategies. Well done to Hasi Babaranda, Noah Jaleeludeen, Rylan Lawson and Jo Beck for a great day representing Salford School.

Congratulations to Hasi for coming out as Best Overall Girl for the day! Thank you to Rebecca (Rylan's mum) for driving and supervising the children at the event. Your time was appreciated.

We caught another great afternoon for the Phoenix Zone cross country in Bluff last Tuesday. We had just over 100 students competing at this. Huge thanks to Bluff School for their organisation for the event.

The Bluff course was full of challenge for the students, a true cross country run with hills, paths, varied surfaces etc. It was great to see the children smiling as they passed through different stages and the pride they had in themselves and each other as they competed. Well done to everyone involved for their fabulous display of Salford values and determination with the competition.

Hasi—Best Overall Girl

Congratulations to the students who will now represent the Phoenix Zone at the Southland Primary School Cross Country Championships on Friday 21<sup>st</sup> June. We have 13 Salford students representing. All the best to: Madison Stephens, Kezia McLaren, Eva Sheriff, Will Fleming, Isimeli Levuimata, Baxter Charlton, Do-Ha Lee, Taylah Jackson, Madison Brown, Angelina Winchcombe, Cody Lawson, Henry Hopcroft and Louis Smith.

Friday saw our House Captains head to Dunedin for the National Young Leaders Day event (NYLD). They had a great day listening to and reflecting on messages from a range of well known New Zealanders including the rapper, Kings, Ronnie Taulafo and Sala Tiatia. Thank you to Mrs Roulston and Janine Hopcroft for your time supporting the children and getting them to and from the event in Dunedin.

With the inclement weather the Drop Off Zone has become quite crowded. We please ask that if there is no space in the drop off zone that you move further down the road or circle around the block and come back in a few minutes. It can get quite dangerous for our road patrol students when traffic is backed up down Lamond Street.

## NATIONAL YOUNG LEADERS'S DAY IN DUNEDIN.

Last Friday I woke up at 5:55am and got ready to go to Dunedin.

I took my school bag, my lunch box and a jacket.

We left school at 6:30am and arrived at the city Hall at 9:00am. There were children galore.... A sea of people sitting on the seats.

During the day we had important people talk about their success. We had lunch outside and later went to the mall to have a chocolate chip cookie.

We arrive back around 5:00pm and when I got home I chilled. It was a great day. Thank you Mrs Hopcroft for taking us.

## PTA NOTEBOOK

The Fun Run was a huge success. Thanks to all the children who willingly 'had a go' at this event. We hope you had FUN!! The afternoon turned out to be unusually warm and sunny – perfect for obstacle course running and for all those water guns!! The children eagerly ran around the rugby paddock and tackled each obstacle with great gusto. The PTA is very grateful for the continued support from parents, caregivers, teachers and our principal Sarah. The sponsor cards and money will be tallied this week. Please ensure your child's fun run card and the money is returned to the office asap!!

Thank you to those parents and caregivers who came along to our cuppa and cake afternoon on Friday 10 May. It was a great opportunity to meet our new principal, Sarah Gibbs.

Our next meeting is on Tuesday, 11 June 2019 at 7.30pm, in the school staff room. Please note the change of date. You are all very welcome to join us.....many hands make light work.

On behalf of the Salford School PTA, Gillian, Committee Member

### Make the SMART choice Choose water and plain milk

Sugary drinks like fizzy drinks, fruit juice, cordial and sports drinks have no benefit to our bodies and contribute to tooth decay.

1 can of fizzy = 10 teaspoons of sugar  
(375 ml)

1 glass of juice = 10 teaspoons of sugar  
(350 ml)

Choose tap water, it's free and contains zero sugar.

Water quenches your thirst better than any other drink.

Eat your fruit - don't drink it.

Choose plain milk for strong teeth and bones.

## Kids Health

Knowing whether a child is well enough to go to school can be tough for any parent. It often comes down to whether a child can still participate at school in all activities.

Kids with colds, coughs etc can go to school if they are well enough, and have no fever. If in doubt check with the school.

Never send a child to school who has a fever, is nauseated, or who is lethargic and not themselves. It is fair to all other students and staff to ensure an infection that may be brewing is not spread.

Go with your gut. You know your child the best.
