

## Principal's note:

It is great to be able to share the success of Salford students past and present as they strive for excellence, working hard in areas that they are passionate about.

**Congratulations to the Jump Jam Team:** Paityn, Amelia-Jayne, Kyla, Kaytlyn, Mercedes, Caitlyn, Alison, Kate, Michaela, Paige, Ava and Indy who came away with a well earned second place in the Strictly Jump Jam Year 4 - 8 category of the local competition held at James Hargest Senior College on Saturday afternoon. The team were confident, loud and their timing and moves were precise. It was also great to have a large and vocal support team cheering for them as well. Thank you and congratulations to Mrs Morris for her work with the team for the competition. We are all very proud of this achievement. (Discussion around next year has already started taking place)

## Celebrating success:

A number of past Salford students have also been successful recently: Maia Cavanagh, New Zealand U/18 Table Tennis New Zealand Team to play Oceania Championships in Tonga and Mitchell Tweedie, Under 19 New Zealand Academy Team who returned victorious after a softball tournament in Prague. Mitchell won the most valuable player at the end of the tournament. We are very proud to have had their beginnings here at Salford School and congratulate them all on their achievements.

## 3-Way Conference Meetings:

We look forward to sharing the successes of your child and their learning at the upcoming interviews.

Please make sure you book a time to meet with your child's teacher to share their written report and discuss their growth and next steps. We please ask that each child has just one interview time. This helps to ensure every child has the opportunity to share with their parents in the time available.

With full classrooms, time will be precious and teachers have family that need school interviews and time as well. Thank you for your understanding with this.

## Have you booked your interview?

### Southland Primary Schools Cross Country:

We wish all the best to the 13 students who are heading out to Waimumu on Friday for the Southland Primary School Cross Country Championships.

We look forward to hearing about your experiences at this event when you return to school. All the best to Madison S, Kezia, Eva, Will, Isimeli, Baxter, Do-ha, Taylah, Madison-Grace, Angelina, Cody, Henry, and Louis.

### Tri-Nations Tournament:

Next Wednesday 26th June we also have our Tri Nations Tournament against Windsor North and Waihopai Schools. Good luck to the students involved with this competition. We know they will enjoy the friendly event and look forward to hearing the results from this as well.

### After School Care:

This is a great service that is provided after school for children. Please remember to book in so that the teachers running the programme know to expect your child. Alternatively it is also important to notify the afterschool staff if your child is not attending for any reason. We have had quite a number of instances in the past few weeks when children have been collected from school or other arrangements have been made but neither the school or after school team has been alerted. Needless to say this causes angst and worry as the staff and school teachers work to find children who aren't actually missing. Please help us to ensure all Salford students are safe and in the right place by keeping us notified. Go to the SchoolStream APP—Forms—you can log a booking or cancellation from your phone.

### PB4L:

At Salford School we work to develop positive behaviours in children through focussing on the school values: **Respect - Whakaute, Caring - Manaakitanga, Working Hard - Pukumahi and Being Responsible Noho Haepapa**. When a child has not followed one of these values you will be notified via a 'Think Sheet'. The 'Think Sheet' is to let you know about your child and their behaviour, we ask that you discuss this with them. If there is a connection with other children, they too will have a 'Think Sheet' to discuss at home.

Teachers will make contact with you directly for behaviours that are repeated, however the 'Think Sheet' is your first notification that the Salford School values and expectations have not been adhered to.

<b>House Points:</b>	Hauroko	<b>396</b>
The House points to end of week seven are:	Te Anau	<b>368</b>
Nga mihi nui	Manapouri	<b>322</b>
<i>Sarah Gibbs, Principal</i>	Wakatipu	<b>394</b>

### Board of Trustees Update

Kia ora,

The new Board's next meeting will be Tuesday 25 June. We have two new parent members and a new staff trustee. We look forward to forming a new team and pushing forward with our Charter goals.

I would like to thank the community for taking an interest in the elections. I would also like to thank all those who put their name forward for the Board. This shows the School community is a committed one and we are very lucky to have willing and engaged parents/caregivers who want to step up for such roles. Thank you.

Thank you also to those people who attended our recent "inclusive school" meeting. It was a constructive evening, with people sharing their knowledge and experiences. We will be holding further meetings this year and it would be great to get more people coming along.

Kind Regards, Mary.

# ROOM 10/11

This term Room 10/11 have introduced Play based learning to their programme.

**Measuring**  
Kylala used cubes to measure different objects.

**Technology**  
The chñ wanted to know how to make a plane, boat and train. We printed off photos, stuck them to the wall and they created master pieces.

**Maths**  
The chñ used the bears to make repeating patterns. They also grouped them in colours.

**Problem Solving**  
Thelusha loved work with others to create this hat.

**Building**

The chñ always have a follow up activity after guided reading. They are learning about our letter of the week - n.

**Literacy**

## PTA NOTEBOOK

Well Done Salford Community, the Fun Run tally is currently \$3,026! and rising. It isn't too late to get your donations in. Thank you all for your support of this fundraiser. At our meeting on Tuesday, the proceeds assisted with bringing the Tortoise and the Hare performance to Students at Salford and will go toward the "Building with Lego" group at School, which I know many Salford children shall be using soon.

To make this a greater success, the School would be grateful to receive donations of Lego from the community.

As a side note, the annual "Nationwide Toyworld Lego competition", has seen two former Salford pupils, (with younger siblings still here), Izaak and Felix, take out Invercargill Store winners placings in 2018 and 2019 respectively.

The PTA is championed by the support of the regular Sausage sizzlers, both the helpers, and the purchasers. It is a great way to interact with the children, and to meet other parents and grandparents. Please let Michele or Judi know if you are able to help next term.

Again, the PTA has been a stepping stone for new Board of Trustee members. At this time we would like to acknowledge the fantastic leadership, communication, and positive vibe that Amelia has, in the role of Vice President, shared with the PTA team, and we look forward to continuing to support the endeavours of the new Board.

To the three out-going Board of Trustee Members, Nicole, Nicola, and Greig. Your commitment, and roles you played, both as parents and as Trustees, has, as I am sure the Community would agree, made Salford a better place. Thank you.

The PTA's next meeting is Wednesday 24 July (First week term three) Please join us at 7.30pm in the Staffroom.

On behalf of the Salford School PTA  
Adele Beck, Committee Member.

## REMINDERS

### Parent and Staff Election results

School Name: **Salford School**

#### Board of Trustees Election Declaration of Parent and Staff Election Results

Parent representatives' votes:

Name	Votes
Nicola Boutcher	97
Mary Foley	109
