

Kia Ora te whanau, No mai hiri mai,

## Good afternoon Salford Community,

We have a responsibility to provide a safe and enjoyable school setting. Under our Health and Safety guideline, we require all students to have a sunhat at school for Terms 1 and 4 for appropriate use on sunny days, at break, lunch time, and during physical education classes. We would appreciate your support in this matter. Uniform hats can be purchased from: UniformNZ—\$10.00 (*can be ordered through the school*), The Warehouse—\$11.50, and other suppliers in town of your choice. The uniform hat is a navy blue bucket hat.

**ROAD PATROL DUTY:** Three “Parent Volunteers” have come forward for before school Road Patrol Duty. Thank you. If anyone else would like to join a before school roster, please let the office know at [admin@salford.school.nz](mailto:admin@salford.school.nz) with your name, preferred day of the week and telephone contact details. Help us to keep Salford students safe crossing the road.

**PRE-ENROLMENTS 2015:** Reminder to parents who have a child starting school in 2015, please ensure your enrolment forms are into the office before the end of the month. This allows for both New Entrant class planning through the year, and the Schools Roll return in March.

Kind regards *Kevin Orlowski*

### SALFORD SCHOOL PTA UNIFORM SHOP

The Office is receiving regular inquiries regarding “preloved” uniforms. Do you have any tucked in a drawer not being used?

Would you like to donate your uniforms to the PTA for resale, as they would be very much welcomed.

This is a donation that is assisting other Salford families in our community.

The School is also in desperate need of little sized uniforms for little people who have accidents with water, wet days and muddy results. Unfortunately loan uniforms don't always come back .

Uniform items can be dropped at the office at any time.

### **SALFORD SCHOOL AFTERSCHOOL CARE**

Spaces are available in afterschool care.

This runs from 3.00pm through 5:30pm.

If you would like more details, please contact the Office for a brochure or stop by and have a chat with *Gaye Templeton* or call her on 021 022 022 96.

### **Electronic Communications**

Salford would like to be able to continue on the pathway of communicating electronically with their families. This is the methodology being used around the country and overseas. This is fast and efficient, providing we are kept up to date with email address changes. Please check you are receiving our messages, and, if not, contact the office or complete a “Contact Details Change” form on our website.

**SCHOOL DONATION RECEIPTS 2014**—will be forwarded to all families in the coming weeks. A reminder that the receipts will be issued for the 2014 school year, and not April to March. Where practical all families will also receive these receipts electronically and we encourage you to print and retain these for your Income Tax return as a percentage of your student donation is recoverable.

**SCHOOL DONATION INVOICES 2015**—will be posted to all families next week. We have had some families request an annual invoice. If you would like an annual invoice instead of a term by term invoice. please contact the office on [admin@salford.school.nz](mailto:admin@salford.school.nz) if you would like this option or have any questions around the School Donation.

### **LOST PROPERTY**

The lost property basket has been relocated to the photocopier room. As this is a working area for the teaching team, please help us to keep the basket tidy when looking for lost items.

We are only into Week 3 of Term 1 and already the lost property basket is overflowing with the lovely weather we are having. Too many clothing items are still unnamed. **PLEASE name your child's clothing so that it can be returned.**

**HEALTH AND SAFETY** — Students that may require treatment through the school day. For Health and Safety reasons, parents are required to complete a Medications Permission Slip which can be obtained from the office.

**Term 1 inquiry topic-  
How do the choices we make influence  
our wellbeing?**

This week Room 1 'tuned in' to their inquiry. We are going to be learning about what makes a group work well together.

We had a sandcastle building competition. It was a lovely afternoon for it and we learnt about some of the things that make a group work well together. Great work Room 1
