

Kia Ora te whanau,

Good afternoon Salford Community,

Ms Hornsey, Commissioner has appointed Mrs Pam Fleck as Relief Principal, commencing Monday July 20th. Mrs Fleck will be Relief Principal for 3 days per week and Ms Jo Griffin will deputise in Mrs Fleck's absence.

Ms Jo will be out of her classroom for 3 days per week and Mrs Gray will continue to provide her release for these 3 days. Ms Rachel Peters will take over the Senior School (Years 4-6) Team Leadership role from Ms Jo and be out of her classroom for 1 day a fortnight.

Ms Sharon Soper is returning to Salford next term to provide PRT release for Ms Mair and also CRT release (2 days per term) for all staff members. It is great to have someone of Ms Sopers skills and Salford knowledge to be able to fill these vital release days. Mrs Christine McFarland is leaving her Teacher Aide role at the end of term, and Mrs Sharron Milne will be working with the children she has enjoyed working with. We thank Christine for her contribution to Salford, and are delighted to know we are not losing her, as she will continue in the office on Wednesday mornings.

We are starting a second New Entrant class on Monday July 20th. Ms Lynda Priscott will be teaching the second class. It is great to have someone of Ms Priscott's experience to teach this class. Some students are also moving from Ms Paterson's class to Mrs Jones class and some from Mrs Jones class to Mrs Bartlett/Mrs Kerr's class. All families have been notified of these changes and we wish the students well in their new learning environment.

I said in my last newsletter that I would write something about the Salford Students in my last newsletter, so here goes.....

I have been impressed from day one of my tenure with the respectful demeanour of the students at this School. There is the odd incident that requires firm action from a teacher, senior manager or myself, but children recognise their error and respond positively. I have been impressed by the students' desire to learn new things and in most cases for them to be confident about new learning challenges.

Salford children are;

- Co-operative in group settings
- Able to explain their thinking and learning
- Learn by making mistakes and have an enthusiasm to review and rethink their work
- Able to use various strategies to solve problems, particularly in the senior school
- Able to become teachers for other students, like buddy/shared reading as an example
- Able to share with their parent's their new learning and are, digital savy and cyber safe.

Salford students have a strong literacy and mathematical foundation to compliment their progress with the key competencies as is evidenced in teachers comments in student's mid year reports.

Salford students have heaps of cultural, sporting and leadership opportunities and particularly as they get older a real sense of community and pride in their school.

I will miss them all and take fond memories of my time with them back to Queenstown.

Once again thank you all for your welcome and support, and I wish you all a safe, family orientated holiday break.

Kind regards *Kevin Orlowski*

**SOUTHLAND RIPPA RUGBY
TOURNAMENT 2015**

Our Year 6 Rippa Rugby Team participated in this years tournament held on Friday the 26th of June at Rugby Park in Invercargill. For the first two games the weather was fine, however, during our afternoon games the children played in very cold conditions. They all played to their best ability with the results: 1 win, 1 draw and 2 loses.

Thank you to the Parents who came along and support them.
PLEASE NOTE: This is my last year at coaching—2016 will require someone with youth and mobility!

Merv Hanna, Coach 2015

2015 Swimming has drawn to a close. New skills have been learnt by all swimmers and we trust they will continue to work on what they have learnt each time they enter the water.

Swimming is Invercargill Schools is supported by the ILT Foundation and we thank them sincerely for their support.

Cupcake Day

CONGRATULATIONS to the House Captains for their wonderful fundraising efforts for the children of Nepal. A total of **\$434.84** was raised as a result of the Cupcake Sales held on Tuesday the 23rd of June. An outstanding result.

I am sure these were enjoyed as much by the children who consumed them as the House Captains who iced them. Thank you to the wonderful Parents who assisted with this fundraiser.

Feuerstein Instrumental Enrichment (FIE)

Term 3

A FIE class is starting.

We are looking for one more students to join our cluster group.

If your child is struggling in their learning and you think FIE could be for them, please feel free to contact me.

More information and links are posted on the Salford School website.

FIE is a very exciting programme which has been implemented in schools throughout New Zealand. It is a programme that focuses on specific cognitive areas that the learner needs to develop. It strengthens the weak cognitive capacities that affect our learning, while working in parallel to our brain's ability to grow new pathways and neurons, which effectively redesigns our brain. Already, 6 students at Salford School are benefiting from FIE tuition.

FIE is not just for dyslexic children. It is a programme that enhances all individuals' learning and problem solving skills.

PTA NOTEBOOK

Mr Stephen Lawson has been helping with many projects around the school, and has kindly agreed to be our Sausage fundraising coordinator, and join the PTA team. Steve and his wife Rebecca have regularly helped out with the Friday fundraiser, and we greatly appreciate their help.

Yukie Nakano has joined our Second Hand Uniform sales team, and thank you to all who have donated uniforms for the PTA. This is a great fundraiser and service for our school.

On behalf of the PTA we would like to say a huge thank you to Kevin Orlowski for all he has done for the school, and to help us. Thank you Kevin, we will miss your can-do calm attitude, your ready smile, and we wish you well.

We have a "Community Cuppa Catch-up", scheduled for **Tuesday 21 July, at 9:00am**, in the Staffroom, please feel free to join us for an opportunity to welcome our new families to Salford, and Pam Fleck our new Relief Principal.

A plea to you all to spread the word about safe parking at pickup time, our community owes it to our little folk to keep them safe. From the start of Term 3, the PTA will attend the Pick-Up Zone from 2:45pm each day to ensure safe driver practice. Cars **will not** be able to park in the pick-up zone, until the 3.00pm bell.

The PTA and whole school, **CONGRATULATES Mr Trevor Elliott** on the wonderful presentation of the school grounds and gardens. Thank you from us all.

Happy Holidays from the PTA.

Kind regards

Adele Beck, President

Salford School Community Cuppa and Catchup

MESSAGE FROM THE COMMISSIONER

While I am aware that the staff and students have prepared a fitting farewell for Mr Orlowski, I would like to add my two cents worth and thank Mr Orlowski very, very much for his dedication and loyalty to Salford School and wish him all the best as he tries again to move into semi-retirement.

The Salford School of today would not have been possible without Mr Orlowski's caring and calm leadership and his genuine enjoyment in working with our great staff and wonderful students.

It has been a pleasure working with Mr Orlowski and I am sure that you all share my sadness that he is leaving but also my understanding that, after eighteen months of what was supposed to be a very short term arrangement, it is high time Mr Orlowski got to go home and relax.

Nicola Hornsey
Commissioner of Salford School.
