

Kia Ora te whanau, No mai hiri mai,

Good afternoon Salford Community,

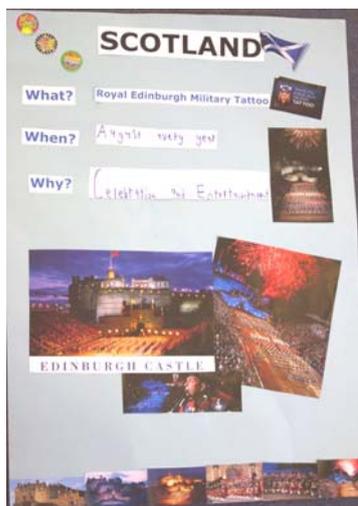

I have been a little preoccupied this week with my wife, Mary, having hip replacement surgery on Tuesday.

All is progressing well there now. It is great that we have access to a modern medical facility and such good staff to care for our loved ones.

I will be on family leave next week, so if you have anything you want to discuss please do so with Ms Jo, who is Acting Principal in my absence.

I hope all the Year 6 students have a lovely day at their new 2015 schools on Friday next. What an exciting time, the start of your secondary schooling! Grab it with both hands and say yes to learning!

Regards *Kevin Orlowski*

WHEN CHILDREN ARRIVE OR LEAVE SCHOOL EACH DAY, YOUR DRIVING BEHAVIOUR CAN EITHER PROTECT OR ENDANGER THEM.

Parking restrictions are in place near schools for a reason. They protect our children against possible injury.

Drivers and children need good visibility around schools to be able to see each other.

Story of the Week by Crystal Chiang

Miss Stevenson.

Miss Stevenson is a teacher. She likes to tell us stories. I like Miss Stevenson. If we are too noisy she will say "5,4,3,2 and 1!" Her eyes are blue.

Miss Stevenson has long yellow hair, blue eyes and she likes talking. Miss Stevenson has long feet and she wears long shoes.

Miss Stevenson likes making big book activities.

I just like that.

Sometimes Miss Stevenson will say "That's good working".

She is the best teacher in this school.

OUR TENNIS CHAMPS

Halle and Noah played their second round games this week. Halle came third at Southland Primary Schools and will now go to Dunedin in November for regionals. Noah played very well in very tight games. As you can see by the weather, Noah enjoyed beautiful clear skies but Halle was not so lucky.
